INFORMATION CIRCULAR

(Containing information as at February 27, 2024 unless otherwise indicated)

This information circular ("*Information Circular*") is provided in connection with the solicitation of proxies by the management **FUSE BATTERY METALS INC.** (formerly Fuse Cobalt Inc.) (the "*Company*") for use at the Annual General Meeting of the shareholders of the Company (the "*Meeting*") to be held at 3028 Quadra Court, Coquitlam, BC, on Thursday, March 28, 2024 at 10:00 am (Vancouver time) and at any adjournments thereof for the purpose set forth in the enclosed Notice of Annual General Meeting ("*Notice of Meeting*").

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by Directors, Officers and regular employees of the Company. All costs of solicitation of proxies by management will be borne by the Company.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and officers of, or counsel to, the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the shares of the Company ("**Shares**") represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Odyssey Trust Company ("**Odyssey**"), Attention: Proxy Department, by fax to 1-(800)-517-4553, via email to proxy@odysseytrust.com, or by mail or hand delivery to Odyssey Trust Company, Attention: Proxy Department, 409 Granville Street, Suite 323, Vancouver, British Columbia, V6C 1T2; or
- (b) using the internet through the website of the Company's transfer agent at odysseytrust.com/Transfer-Agent/Login. Registered shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number;

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders of the Company who do not hold Shares in their own name. Beneficial shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Shares).

If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In the United States the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Many brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications or another investor communication service (collectively, for the purposes of this Information Circular, "**Broadridge**") in Canada and the United States. Broadridge will typically mail a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Shares voted.**

Although as a Beneficial shareholder you may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxy holder for your broker and vote your Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Shares.

This Information Circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a Proxy may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the registered shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Odyssey Trust Company, by fax to 1-(800)-517-4553, via email to proxy@odysseytrust.com, or by mail or hand delivery to Odyssey Trust, Attention: Proxy Department, 409 Granville Street, Suite 323, Vancouver, British Columbia, V6C 1T2, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Shares.

Only registered shareholders have the right to revoke a Proxy. Beneficial shareholders who wish to revoke their Proxy must, at least seven days before the Meeting, arrange for their respective intermediaries (as described above) to revoke the Proxy on their behalf. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

RECORD DATE

The Company has set the close of business on February 27, 2024 as the record date (the "*Record Date*") for the Meeting. Only the registered holders of common shares, and those beneficial holders entitled to receive notice through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his or her shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he or she owns such shares, requests at least ten (10) days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person who has been a director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the appointment of auditors and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The holders of the Company's common shares of record at the Record Date are entitled to vote such shares at the Meeting on the basis of one vote for each common share held. The Company is authorized to issue an unlimited number of common shares without par value (the "*shares*") of which 187,948,801 shares are issued and outstanding as of the Record Date. The Company has no other class of voting securities.

A quorum for the transaction of business at the Meeting is one person who is, or who represents by proxy one or more shareholders who, in the aggregate, hold at least 5% of the issued and shares entitled to vote at the meeting. If there is only one shareholder entitled to vote at a meeting of shareholders: (a) the quorum is one person who is, or who represents by proxy, that shareholder; and (b) that shareholder, present in person or by proxy, may constitute the meeting.

To the knowledge of the directors and executive officers of the Company, and based upon the Company's review of the records maintained by Odyssey Trust Company and insider reports filed with System for Electronic Disclosure by Insiders (SEDI), as at the Record Date, no one shareholder beneficially owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion & Analysis

For the purposes of this Circular, a "Named Executive Officer", or "NEO", means each of the following individuals:

- (a) a chief executive officer ("**CEO**") of the Company
- (b) a chief financial officer ("**CFO**") of the Company

- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, less than \$150,000 for the December 31, 2022 financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer, nor acting in a similar capacity at December 31, 2022.

Compensation, Philosophy and Objectives

The Company does not have a formal compensation program. However, the administration of the Company's compensation mechanisms is handled by the directors of the Company. The directors examine matters relating to the compensation of the directors and executive officers of the Company with respect to (i) general compensation goals and guidelines and the criteria by which bonuses and stock compensation awards are determined; (ii) amendments to any equity compensation plans adopted by the Board and changes in the number of shares reserved for issuance thereunder; and (iii) other plans that are proposed for adoption or adopted by the Company for the provision of compensation. The general objectives of the Company's compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; (c) provide a compensation package that is commensurate with other junior mineral exploration companies to enable the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior mineral exploration companies without a history of earnings.

The independent directors ensure that total compensation paid to all Named Executive Officers ("NEOs"), as hereinafter defined, is fair and reasonable. The directors rely on their experience as officers and directors with other companies in assessing compensation levels.

The independent directors work with an executive placement firm from time to time in recruiting and determining the compensation for the CEO, taking into consideration such factors as the market expectations for such a position with a junior exploration company and the experience and qualifications of the successful candidate.

Analysis of Elements

The principal elements of the executive officers' compensation consist of base salary and long-term incentive awards (stock options).

Base salary is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer's efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's stock option plan (the "Stock Option Plan").

Long Term Compensation and Option-Based Awards

The Company has no long-term incentive plans other than the Stock Option Plan. The Company's directors and officers and certain consultants are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Stock Option Plan aligns the interests of the NEO and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Company's common shares.

In monitoring or adjusting option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the NEOs and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

Total	10,650,000		20,289,610

The following is a summary of the substantive terms of the Company’s current Stock Option Plan (the “2022 Plan”).

2022 Plan Summary

The 2022 Plan is administered by the Board of Directors of the Company, but may be administered by a special committee of Directors if one is appointed by the Board of Directors. The aggregate number of Shares that may be reserved for issuance under the 2022 Plan shall not exceed 30,939,610 shares of the issued and outstanding Shares of the Company (subject to standard anti-dilution adjustments). If a stock option expires or otherwise terminates without being exercised, the number of Common Shares reserved for issuance under that expired or terminated stock option will become available for issuance. The number of Shares subject to an option to a Service Provider shall be determined by the Board of Directors, but no Service Provider shall be granted an option which exceeds the maximum number of shares permitted by the Exchange or any stock exchange on which the Shares are then listed, or other regulatory body having jurisdiction.

The exercise price of the Shares covered by each option shall be determined by the Board of Directors, provided that the exercise price shall not be less than the Discounted Market Price permitted by the Exchange or any stock exchange

on which the Common Shares are then listed, or other regulatory body having jurisdiction.

Should the expiry date of an Option fall within a Blackout Period of the Company, such expiry date shall, subject to approval of the Exchange, be automatically extended without any further act or formality to that day which is the tenth (10th) business day after the end of the Blackout Period, such tenth business day to be considered the expiry date for such Option for all purposes under the 2022 Plan.

The 2022 Plan provides that it is solely within the discretion of the Board, or its Committee if so designated, to determine who should receive stock options and in what amounts, subject to the following conditions:

1. options will be non-assignable and non-transferable except that they will be exercisable by the personal representative of the option holder in the event of the option holder's death;
2. options may be exercisable for a maximum of ten years from the date of grant (subject to extension where the expiry date falls within a "Blackout Period", as disclosed above);
3. the aggregate number of options together with all other Share Compensation Arrangements granted to any one option holder (including companies wholly owned by that option holder) in a 12-month period must not exceed 5% of the issued shares of the Company, calculated on the date an option is granted to the option holder, unless the Company has obtained Disinterested Shareholder Approval;
4. the aggregate number of options together with all other Share Compensation Arrangements granted to any one consultant in a 12-month period must not exceed 2% of the issued shares of the Company, calculated at the date an option is granted to the consultant;
5. the aggregate number of options granted to all option holders retained to provide Investor Relations Activities (as defined in Exchange Policy 1.1) must not exceed 2% of the issued shares of the Company in any 12-month period, calculated at the date an option is granted to any such option holder;
6. at no time will options be issued which could permit at any time the aggregate number of shares reserved for issuance under stock options granted to insiders (as a group) at any point in time exceeding 10% of the issued shares, unless the Company has obtained Disinterested Shareholder Approval;
7. at no time will options together with all other Share Compensation Arrangements be issued which could permit at any time the grant to insiders (as a group), within a 12-month period, of an aggregate number of options exceeding 10% of the issued shares calculated at the date an option is granted to any insider, unless the Company has obtained Disinterested Shareholder Approval;
8. options held by an option holder who is a director, employee, consultant or management company employee will expire 90 days after the option holder ceases to be a director, employee, consultant or management company employee, which time period the Company determines is reasonable;
9. in the event of an option holder's death, the option holder's personal representative may exercise any portion of the option holder's vested outstanding options for a period of one (1) year following the option holder's death;
10. options cannot be granted to directors, employees, consultants or management company employees that are not bona fide directors, employees, consultants or management company employees, as the case may be; and
11. options will be reclassified in the event of any consolidation, subdivision, conversion or exchange of the Company's Common Shares.

The 2022 Plan provides that other terms and conditions may be attached to a particular stock option, such terms and conditions to be referred to in a schedule attached to the option certificate. Stock options granted to directors, senior officers, employees or consultants vest when granted unless otherwise determined by the Board, or its Compensation Committee, on a case-by-case basis. Stock options granted to consultants or employees performing Investor Relations Activities, as such term is defined by the Exchange, will vest in stages over 12-months with no more than one-quarter of the Options vesting in any three-month period.

In addition, under the 2022 Plan a stock option will expire immediately in the event an Optionee is dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

The price at which an Optionee may purchase a Common Share upon the exercise of an Option will be as set forth in the option certificate issued in respect of such Option and in any event will not be less than the discounted market price of the Company's Common Shares as of the date of the grant of the stock option (the "Grant Date"). The market price of the Company's Common Shares for a particular Grant Date will typically be the closing trading price of the Company's Common Shares on the day immediately preceding the Grant Date, or otherwise in accordance with the terms of the 2022 Plan. Discounted market price has the meaning assigned by Policy 1.1 of the TSX Venture Exchange Policies. In addition to any resale restriction under securities laws, if the exercise price of the Option is based on a Discounted Market Price, the Exchange Hold Period will apply to all Common Shares issued under each Option, commencing from the Grant Date. The Exchange Hold Period will also apply to all Common Shares issued under any Option granted to a director, officer or Insider (as such term is defined by the Exchange) of the Company, regardless of whether the Option was granted at market or discounted market price in addition to any resale restrictions under securities laws.

In no case will a stock option be exercisable at a price less than the minimum prescribed by the organized trading facility or the applicable regulatory authorities that would apply to the grant of the stock option in question.

The Company will be seeking shareholder approval to amend its 2022 Plan to reserve up to a total of 37,589,801 common shares, being 20% of the current issued and outstanding shares of the Company (the "Amended Plan"), as more particularly described below under "*Particulars of Matters to be Acted On*". All other terms of the 2022 Plan remain unchanged.

Furthermore, none of such persons were indebted to a third party during such period where their indebtedness was the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

An "informed person" means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company; (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company or a combination of both carrying more than 10% of the voting rights attached to all outstanding voting securities of the Company other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

To the knowledge of management of the Company, no informed person or nominee for election as a director of the Company or any associate or affiliate of any informed person or proposed director had any interest in any transaction which has materially affected or would materially affect the Company or any of its subsidiaries during the year ended December 31, 2022, or has any interest in any material transaction in the current year other than as set out herein or disclosed below.

MANAGEMENT CONTRACT

There are no management functions of the Company which are to any substantial degree performed by a person or company other than the directors or senior officers of the Company.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day-to-day management of the Company. The Board of Directors is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("*NI 58-101*") requires that each reporting company disclose its corporate governance practices on an annual basis. The Company's general approach to corporate governance is summarized below.

The Board of Directors

The Board of Directors is currently composed of four directors.

Independence

Section 1.4 of National Instrument 52-110 – *Audit Committees* (“NI 52-110”) sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, two of the four members of the Board of Directors are independent. The members who are independent are Chip Richardson and Ryan Cheung. Tim Fernback and Robert Setter are not independent by virtue of the fact that Mr. Fernback is an executive officer of the Company and Mr. Setter has been an executive officer within the last three years.

Directorships

As at the date hereof, the following Directors, which include the proposed directors, are also directors of other reporting issuers as set out below:

Name of Director	Reporting Issuer(s) or Equivalent(s)
Tim Fernback	Koryx Copper Inc. Apogee Minerals Ltd. Temas Resources Corp. Grid Battery Metals Inc.
Robert Setter	Grid Battery Metals Inc.
Chip Richardson	N/A
Ryan Cheung	Midasco Capital Corp. Monumental Energy Corp.

Orientation and Continuing Education

The Company has not adopted a formalized process of orientation for new members of the Board of Directors. Orientation of new directors is conducted on an ad hoc basis.

Directors are kept informed as to matters impacting, or which may impact, the Company’s operations through reports and presentations at meetings of the Board of Directors. Directors are also provided the opportunity to meet with senior management and other employees and advisors, who can answer any questions that may arise.

Expectations of Management and Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company’s business plan and to meet performance goals and objectives. The Company has in place a written Code of Business Conduct and Ethics.

Nominations and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual board members, including both formal and informal discussions among Board members and the President. The current and proposed size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors’ credentials are reviewed in advance of a Board Meeting with one or more members of the Board prior to the proposed director’s nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company’s size, its stage of development and the limited number of

individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing businesses. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "Election of Directors" for a description of the current principal occupations of the members of the Company's Board.

Board Committees

The Company currently has one standing committee – the audit committee.

Audit Committee

The Company's audit committee (the "*Audit Committee*") is currently comprised of Tim Fernback (Chairman of the Audit Committee), Chip Richardson and Ryan Cheung, who are financially literate in accordance with Section 1.6 of NI 52-110 which states that an individual is financially literate if he or she has the ability to read and understand a set of financial statements that presents a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the issuer's financial statements.

Applying the definition of "independence" set out in section 1.4 of NI 52-110, Chip Richardson and Ryan Cheung is an independent member of the Audit Committee. Tim Fernback is not independent by virtue of the fact that Mr. Fernback is an executive officer of the Company within the last three years.

The Audit Committee is governed by an audit committee charter the text of which is attached hereto as Schedule "A".

In addition, the Audit Committee is charged with the responsibility of monitoring the integrity of the Company's internal controls and management information systems. For the purposes of performing these duties, the members of the Audit Committee have the right, at all times, to inspect all of the books and financial records of the Company and to discuss with management and the auditors of the Company any accounts, records and matters relating to the financial statements of the Company.

Since the commencement of the Company's most recently completed fiscal year ended December 31, 2021, the Company's Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

Audit Fees

The Audit Committee must pre-approve any engagement of the external auditors for any non-audit services to the Company in accordance with applicable law and policies and procedures to be approved by the Board of Directors. The engagement of non-audit services will be considered by the Company's Board of Directors on a case-by-case basis.

In the following table, "*audit fees*" are fees billed by the Company's external auditors for services provided in auditing the Company's annual financial statements for the subject year. "*Audit-related fees*" are fees not included in audit fees that are billed by the auditors for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "*Tax fees*" are fees billed by the auditors for professional services rendered for tax compliance, tax advice and tax planning. "*All other fees*" are fees billed by the auditors for products and services not included in the foregoing categories.
